As a new year begins, many of us take stock of our lives. Whilst we may set resolutions, identify habits we want to change, we should also pause with gratitude for the blessings of the past months and look forward with hope to what the coming months might hold.

February is the month where the days are beginning to feel a little lighter and longer and the first signs of spring are beginning to break forth.

In the Christian church, February is primarily associated with purification, with observances dating back to ancient Roman traditions and key events in the life of the Holy Family. Early in February we celebrate Candlemas (February 2). This significant feast day, also known as the Feast of the Presentation of the Lord or the Purification of the Blessed Virgin Mary, falls 40 days after Christmas. It commemorates the day Mary and Joseph presented the infant Jesus in the Temple, where he was recognized as "a light for revelation to the Gentiles". This year February also marks the beginning of Lent with Ash Wednesday (18th), preceded by Pancake Day (Shrove Tuesday, 17th). Many of you may also be looking forward to the more secular celebration of Valentines Day (14th).

However, in our Benefice, February 2026 marks a very personal celebration for our churches and communities. Following interviews and due procedures, The Reverend Virginia Moggridge, has been appointed to serve as our Rector. She is currently Assistant Curate in training, Burwell with Reach Benefice. Bishop Dagmar will institute Virginia on 3 February 2026 at St Mary's, Dullingham. As Virginia prepares to join us, please include her in your prayers. We wish her great joy as she shares her ministry with us all.

May our prayer be one of love shared generously, peace nurtured faithfully, and joy discovered in both the ordinary and extraordinary moments of parish life. Let us continue to celebrate the traditions that root us, while embracing new opportunities to grow and serve.

Anthea Kenna
Churchwarden, St Mary's, Dullingham

Ellesmere Garden Club

We were fortunate to have such an entertaining talk on “Dahlias” by Kim O’Brien in January, which certainly helped to lift the seasonal blues!

Next is our **AGM** which takes place on **Wednesday 11th February at 7.30 pm**, followed this year by a talk. We are very pleased that **Simon Crisp**, who lives locally, has agreed to give us the benefit of his wisdom on “**Small Garden Designs**”. Please come and let your opinions about the club be known and help to shape future meetings with your suggestions. Anyone who would like to join the committee please contact Sandie beforehand.

Then in March we have a talk by **Fiona Rose** on “**William Morris in the Garden**”. Please note the change of date of this meeting to **Wednesday 4th March** because of room availability in the Ellesmere Centre.

There will be the usual raffle and refreshments at the meetings, and any prizes for future raffles would be very welcome please – bring them along.

Everyone is welcome and we hope to see you soon. Any queries about the Garden Club call Sandie on 07903 584676 or speak to someone at a meeting.

Stetchworth and Cheveley United Reformed Church

Cambridgeshire County Council Report

As we progress through winter, many will be navigating the cost of living as their fuel bills increase - *please refer back to my previous articles for advice and support*. This is also the worst time of the year for our roads as weather conditions add to existing road quality. There have understandably been many news programmes on this, as well as a new government rating system placing Cambridgeshire along with most areas as 'amber'.

The drive of the council administration is to move Cambridgeshire back to a preventative, rather than a reactive state and within the scoring system we are 'green' on the funding we are putting in to achieve this. The funding gap is though still considerable, so it will take a bit of time to move and we along with other areas continue to push government for better funding.

For those wanting a wider understanding on this, please refer to <https://substack.com/home/post/p-178301363>

What can I do?

Although we have a council officer inspecting our roads weekly, please don't assume they can identify every last pothole. If you see a concern on roads or pavements, please use the 'Report It' site to make sure it is not missed. This only takes a few minutes, but be sure to take a photo and capture the location.

<https://highwaysreporting.cambridgeshire.gov.uk/en-gb>

Kingsway

A new targeted consultation is open until 4 February, which I will continue to engage with in support of our local environment and communities <https://kingswaysolarfarm.co.uk/>

Public Health Strategic Plan

The plan for the next five years outlines how the council will help to improve the health and wellbeing of residents and ensure people receive the support they need; including offering the best start in life, making Cambridgeshire a healthy place to live and work, addressing complex needs, and prioritising the prevention of ill-health.

Some of the key areas of work led by Public Health will include:

1. Mobilising the Healthy Schools service to deliver health improvement education and interventions for school-aged children and young people.
2. Working with partners and planners to improve road safety, increase active travel, and improve access to services for rural communities.
3. Equipping professionals and the public with the skills and knowledge to prevent suicide and improve suicide bereavement support services.
4. Addressing barriers to employment and developing workplace programmes to engage employers and increase access to work across the county, targeting areas with high levels of low pay and low skilled jobs.
5. Developing an alcohol harm prevention strategy and strengthening prevention and early support.

Please do continue to message me with any issues you may need my help with.

East Cambridgeshire District Council Report

This is the first report of the New Year, and I hope that everyone had a wonderful Christmas.

Highways

Further to my report at the end of November, the repairs to the B1061 on the hill coming out of Dullingham have been done.

As I said in November, this was not a full resurfacing but patching of the road to make it safer, with full resurfacing taking place in financial year 2026/2027, per the schedule agreed by Highways in March 2025, which I contested at the time, saying an earlier resolution was needed. However, some of the work undertaken is very poor, with large potholes on the side of the road and it is still dangerous and I have had residents contacting me about the continuing road surface.

I will continue to raise the issue with the County Council administration, as this is not the standard that residents deserve.

If there is any work that you believe requires work, please contact me and I will raise this with Highways and aim to get it done to address the neglect that has happened over the last 5 years.

Council Reorganisation

Submissions on each of the options have been submitted and we are currently awaiting the next move from Government on this subject, which we think will happen in the Spring.

I will update with more details, once they are known.

Kingsway Solar

The company submitting the application have sent out a targeted consultation, requiring a response by 4th February. The consultation appears to be aimed at those who have expressed concerns about the original submissions by the applicant.

There will be a lot more to run on this issue, and I will publish my comments on the latest consultation next month.

Buses

I am a member of the Combined Authority for Cambridgeshire & Peterborough Transport Committee and there has been a lot of work undertaken over buses.

At the meeting on 14th January, a proposal was discussed around direct the current buses in the villages south of Newmarket, namely the 901/2/3/4, to merge several routes and form two new routes. Those two routes are proposed to include destinations such as Newmarket Tesco and Addenbrookes, but the detailed timetable has yet to be disclosed, so there is a lot of work to be done. An engagement with residents in the coming months will take place and I will keep residents informed and fight to get the best service possible for residents.

It would be good to get a better service into our villages.

Please contact me if there is any issue concerning you. I have not done surgeries previously, because I am able to visit residents or meet them, wherever is suitable for them, rather than making residents come to me. I am available to all.

St. Mary's Church, Dullingham

SERVICES FOR FEBRUARY:

8th February – 10.30 am : Morning Prayer

22nd February – 10.30 am : Holy Communion

CHURCH CLEANING:

Lesley Jones

Is anyone available to do a few hours of cleaning in Dullingham Church, one month a year, please? This only entails cleaning the church twice, one month a year, before a service.

Also, if anyone is able to help by arranging flowers on the pedestal one month a year, we would be very grateful. You don't have to be a professional.

If you can help with either of these, please contact Sally on 01638 507543.

Advent and Christmas at St Mary's, Dullingham

The PCC wishes to thank all those who supported our Advent and Christmas events this year. The Advent Fayre was well attended with additional stalls and the lights in the churchyard have been a delight, as always. We appreciate the work that goes into building these and all those who make a donation in remembrance of a special person or event. Our Carol Service, once again, saw a packed church with readers representing many of our community groups. It is always a great joy to involve our younger members. May we wish you a Happy and Peaceful New Year and we look forward to seeing you soon.

VACANCY

DULLINGHAM PARISH CLERK

Dullingham Parish Council is seeking a motivated and enthusiastic person to take on the post of **Parish Clerk and Responsible Financial Officer**.

The clerk is responsible for ensuring the Council meets statutory duties, preparing agendas, taking minutes, dealing with correspondence, liaising with contractors and local government officials and organising audits among other duties.

Are you able to work flexible hours from home, currently for 5 hours a week, and attend the monthly Council meetings on Thursday evenings?

This is a paid position with salary in accordance with the NJC scales depending on experience and qualifications.

If you would like more information about the job or an informal chat, please get in touch with Councillor Rob Algar (Chairman) cllr.algar@dullingham-pc.org.uk

Report from Charlotte Cane MP

In early 2025 I set up a new network bringing together publicans and people working across our local hospitality sector. Ever since, I've been raising concerns about the pressures they face – and listening closely to what's really happening on the ground.

Pubs, cafés, restaurants and small venues aren't just businesses. In villages and market towns, they are community hubs: places where people meet, celebrate, and look out for one another. When a rural pub closes, something far bigger than a balance sheet is lost. Yet many are now operating on wafer-thin margins, hit by rising energy costs, staff shortages, falling footfall and a cost-of-living crisis that has priced too many people out of life's small joys. That's why I've been calling for urgent action to support hospitality and high streets. Together with colleagues, I've urged the Chancellor to cut VAT for pubs, restaurants, accommodation and attractions from 20% to 15%, helping businesses survive. We're also calling for the main levy on household energy bills to be removed and funded through a windfall tax on big banks. Together, this £12bn package would put around £270 back into families' pockets to spend locally.

While the Chancellor ignored these calls at the Budget, there are signs the Government may be preparing a climbdown on planned business rates rises specifically for pubs. From the unsustainable jobs tax to spiralling energy bills, too many local publicans hold shared their concerns that they could be facing closure if relief does not come soon.

Alongside this national campaigning, I'm proud of the enterprise and community-led initiatives in our constituency. It was a pleasure to attend the grand opening of the Wilburton Community Shop – a brilliant example of residents creating a vital local service. I've also enjoyed visiting Toppings Booksellers in Ely and hosting locally based Xampla in Parliament.

Joanne Johnson - Gong Relaxation

Joanne gave us a very interesting talk and then a demonstration with her relaxation gongs -

Relaxation gongs, often used in gong baths and meditation, promote deep relaxation and healing through sound vibrations.

What is a Relaxation Gong?

A relaxation gong is a large disc shaped percussion instrument that produces rich, resonant sounds when struck with a mallet. These sounds create vibrations that can help induce a state of deep relaxation and meditation. The practice of using gongs for therapeutic purposes is rooted in ancient traditions and has gained popularity in modern wellness practices.

There was a mixed response from members, some found it very relaxing and actually fell asleep whereas others didn't feel any benefit at all.

Our February meeting is our Annual Meeting when we will be holding a quiz. Teas: Ruth Dennis and Liz Puddick.

Guests welcome (18+ years) - £3 to include tea/coffee and biscuits.
